

# GREAT NEWS STARTS WITH A BRAND NEW WEBSITE!

Enjoy browsing our new website with lots of new features, including this section where you can find information on Events and Retailers, and also get inspiration for some exciting cocktail ideas from our Mixology segment.

If you don't know yet, Cwm Deri has now moved from Pembrokeshire to Carmarthenshire and neither the old Vineyard grounds nor our new property are open to the public as such, but the owners of "Oaklea" (the old Cwm Deri property) still offer Caravan and Camping facilities.
